7.10.1 Each tender should be accompanied with One No. of three colours minimum printed film sample with any design and One No. of plain film sample in not less than 5 Kgs. in weight in each category micron film tendered for 55 Micron 500ml – two samples, 55 Micron 1000ml – two samples & 110 Micron 5 litre – two samples in not less than 10 Kgs. in weight thus coming to totally six in opaque white pigmented only. **Tender sample roll should be printed with the name of the manufacturing firm so as to identify the company sample without this, the tender will be rejected.** However, plain opaque film should not have any marking/print. The tenderer who has downloaded the tender documents can receive the samples film rolls from this office on request. The tenders received without samples as described above will be summarily rejected. The tenderers should submit their tender offers along with the samples to the Dy. Genl. Manager(Engg.), TCMPF Limited(Aavin), Joint Managing Director's Office, Plot No.29 & 30, Sidco Industrial Estate, Ambattur, Chennai-600098" before the tender closure date and time. 7.10.4 The samples will be tested at M/s. CIPET (or) Indian Institute of Packaging (or) MIT, Anna University (or) National Test House, Chennai for 40:60 LDPE & LLDPE (OCTENE and Mettallocene) combination parameters (LDPE 40% and LLDPE 60% (OCTENE 40% and Mettallocene 20%). **The following parameters will be tested by the above agency.** The test results given by the agency will be the basis for selection/rejection of tenders. Only such of those samples conforming to the following Technical parameters in the testing will be considered for the next level of factory testing at the Metro Dairies.
